Dear Local Business?:

On behalf of the City of High Springs, I would like to thank you for your support in our youth programs. We are a growing program in need of supplies and are in search of sponsors for our youth leagues. We currently run youth soccer and volleyball in the spring and the fall as well as one basketball season in the winter. Also adult recreation programs are in the works for future years. We are looking to expand the program to involve local businesses. We want to create a close knit community to help the City of High Springs develop together as a community and we ask for your partnership.

The team sponsorship fee of \$250 helps the program provide the necessary equipment for the season. It also helps pay the league fee to ACTFOR which helps pay for the officials as well as insurance. In the previous years the quality of the equipment has affected player retention which brought the program to an all-time low. I am proud to say that all leagues have experienced rapid growth in the recent year and we now have over 300 participants in our programs!

We are proud of our Community and the dedicated businessmen and women that support this effort.

Thank you for your continued support.

Sincerely,  
Robert Basford  
Recreation Director  
City of High Springs
